It seems almost unnecessary to write a testimonial foreword for this catalog because the pictures and pedigrees contained in it tell a much more convincing story than possibly can be told by words. My impression, after a recent visit to Lehnert Stock Farm, was that the cattle in this sale will rate right up with the very best Polled Shorthorns that have ever been offered at public auction.

Paul Lehnert and his father are excellent cattlemen. They founded their herd on cattle that represented the right combination of strong bloodlines and choice individuality. Through the use of the very best Oakwood bulls they have worked a constant improvement. They have never maintained a large herd and the present outstanding sale offering is the result of years of careful planning.

I suggest a thorough study of this catalog. Those who make such a study are sure to be impressed with the bloodlines that are represented and the type and quality displayed by the cattle themselves. The Lehnerts deserve a large attendance and a good sale because they are offering the kind of cattle that will be tops in any herds into which they may go.

—Hal Longley of The Shorthorn World.

## A RARE BUYING OPPORTUNITY

Since our herd has outgrown our facilities we are proud to offer to the public this grand lot of bulls and females and we are sure anyone who has seen our cattle go through previous auctions (whether State or National) will agree that this lot is the best we have ever offered.

Our herd was established on the strongest Scotch blood lines that we could obtain when we laid our female foundation and we always bought the best bulls at Oakwood Stock Farms when we were in need of one.

The first bull we purchased from Oakwood Stock Farm was Oakwood Javelin, our second Oakwood Royal Count and our third was Oakwood Royal Robin. The fourth bull we are using is Oakwood Royal Captain. We have never used any other bulls only of Oakwood Stock Farm.

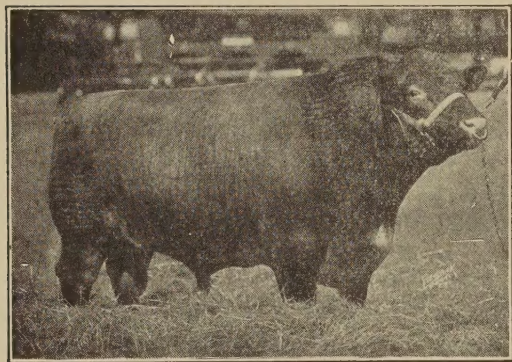

We hate to part with a number of these grand cattle but since we have the same blood left in our herd we feel proud to show the public the kind of cattle we breed at Lehnert Stock Farm. You will find this sale a very profitable one. We cordially invite you to be with us April 8.

Oakwood Royal Count

### OAKWOOD ROYAL COUNT x 1782430

This great bull was used to much success in our herd, having won his class at the International four successive years 1934-35-36-37. His first son was sold for export to Australia and a daughter selected for Argentine. The daughters of him offered in this sale will be the last to ever leave our farm because this great bull has passed on. His calves have won top honors at State Fairs as well as the International. He has sired champions of both sexes to win at state shows and sales.

Oakwood Royal Captain

### OAKWOOD ROYAL CAPTAIN x2187298

is a bull of outstanding merit. He is a son of Oakwood Royal Robin and out of Oakwood Estelle 8th. This bull is backed by the breed's best bulls and has a pedigree to insure his ability to sire the right kind of calves. At the 1945 National Polled Shorthorn Congress Show and Sale we showed and sold his first son who stood second in class (only eight months of age) and was among the top selling bulls. We have never offered any of his females for sale but they will be the feature of our sale. A number of the females in our sale will carry his service.

### CAPTAIN'S ROYAL KNIGHT x2292840

We are sorry that we did not get a good picture of this good headed, dark roan, deep-bodied, short coupled bull. He is another outstanding son of Oakwood Royal Captain. Please note the Estelle breeding this bull carries and he should sire calves of outstanding merit. He is a three-quarter brother of Robin's Estelle 15th the great red heifer we are selling. Judge from her picture the kind of a bull you would expect with this breeding. We have mated the great female Captain's Broadhooks x2292841 to him and her calf should be one of the outstanding calves of the breed.

## WHY GAMBLE? BUY A TRIED SIRE.

### OAKWOOD ROYAL ROBIN x2013809

This bull is just six years old and is just in his prime of life. He is right in every respect, perfect in color, a deep cherry red, good headed, deep bodied, thick in his quarters, a perfect tail setting and is perfect in his feet and legs. He has a quiet disposition and anyone can handle this bull. His breeding rates second to none being sired by the International Grand Champion Oakwood Emperor and coming from the famous Rosewood family. He is out of the same dam that produced Oakwood Royal Count who won his class at the International in 1934-35-36-37 and her calves have also been exported to Australia and South Africa. He has never sired a horned calf out of a polled cow and he never sired a white calf regardless of what color female he had been mated to. He has sired calves that have always been right up at the top wherever shown or sold regardless of age. He is a sure breeder and

you can expect only top calves from him. We hate to part with this bull but since we are keeping a son and a number of his daughters, we have no further use for him. We offer him for sale along with a number of choice cows that he can be used on. Be sure to inspect his get on sale day and be convinced of the kind of a sire he is. No tried sire like this has ever been offered to the public before.

## LEST YOU FORGET

We want to remind you that the females in this offering are outstanding in color, type and breeding. We could have sold them easily at private treaty but thought it best to give the public a buying opportunity. We also want to call your attention to the fact that most of them are carrying the service of Oakwood Royal Captain whose calves are the best that have ever been dropped on our farm.

Calves sired by Oakwood Royal Captain

This group of calves sired by Oakwood Royal Captain are the kind of cattle we are striving to breed and develop. His calves have all been outstanding in type and color and I am sure you will agree that he is siring the right kind of calves. This get you see pictured here sells sale day. Just remember that a great number of females in this sale carry his service and his get will be the feature of our sale.
